

# EMPLOYEE BENEFITS.

As an independent agency, we have access to a variety of insurance companies. Our team works with your business to find the best insurance to meet your company's needs. We go beyond insurance to offer enrollment meetings, wellness solutions, human resource coaching and compliance assistance to keep your company safe and healthy.

**Health • Life • Dental • Vision • Accident Death & Disability

If you are interested in something less-traditional, we offer a program called Resultsplus. We meet with you and a few of your employees to learn more about your business and to gain a better understanding of your employees' needs. We create an action plan to suggest changes that can eliminate issues on both the employee and organizational sides of your business. Contact us today if you are interested in the Resultsplus process.
