

WORKERS' COMPENSATION.

Workers' compensation coverage protects your business by providing wage replacement, medical and rehabilitation benefits to employees who are injured while at work. Since 1954 we have provided workers' compensation coverage for medium to large businesses and non-profit organizations all over the world. We understand the unique challenges of finding the best employees for your business and work with you to address these issues.

If you would like to learn more, please visit [The Hartford's informational website](#), and/or contact Zack Vanden Berg.
